# Exploration or learning or something good

Erik J. Peteron\*1

<sup>1</sup>Department of Psychology, Carnegie Mellon University

#### **Abstract**

Get to the point. Why do I care? What did I do? Why does it matter?

## I. Introduction

Tere is a simple idea and a minor revolution in learning [1].

#### II. Methods

Probably math aand python.

## III. RESULTS

How wonderful they should be to be here.

#### IV. Discussion

Fuck tradition so just do a Q and A.

### REFERENCES
